VOLUME III, No. 35

Wednesday, June 24, 1981

Chamber presents revised budget to county council

The promotion and administration of Haliburton County is a serious business and to prove it, the Chamber of Commerce presented its revised budget, close to \$100,000, to County Council last Wednesday.

Curtis Eastmure, the Chamber's finance chairman, in explaining the budget said, "We understand, that our budget proposal of last year could not be accepted as presented, by council, since you simply didn't have that kind of money available, and in addition, we have been told we simply did not present our case well enough."

He pointed out the Chamber had reached its goal of \$20,000 in membership fees, an increase of 75% over last year.

A "marketing study" has been given \$3000. Eastmure said the study, "is intended to provide some funds to acquire professional assistance to help us in taking a more educated approach to our future marketing programs."

He added that, "it is felt by the Board that the sophisticated market we now find ourselves in requires some type of expertise beyond what we have among us."

In addition to the budget presentation, Stinson introduced the members of the Chamber's Board of Directors to council in an effort to, "get to know some of the volunteers that are behind that term, "Board of Directors," and so they can get to know council."

Also arranged was a short talk by Bruce Potter, from the Ministry of Industry and Tourism who is responsible for Haliburton County.

Potter's remarks centred around the booming tourism industry and how Haliburton County fits into the scheme.

He stated firmly that tourism will be the number one industry within the next five years and that it already generates seven and a half billion dollars in Ontario.

Stinson, in his concluding remarks at the meeting, summed up the Chamber's goals, "There is a tremendous amount of planning and thought by the Board put forth before decisions are made, and the trend will be to research our decisions even more in the future."

Lutterworth council

But Stinson had more work to do last week when he addressed Lutterworth Council Thursday evening.

The Chamber had sent letters to each municipality in the County asking for support in monetary contributions, if possible, to aid Chamber activities.

Lutterworth Reeve, Ron Gambell, the County's representative on the

Chamber Board, readily agreed to have Stinson attend a meeting to outline the various Chamber activities.

Stinson pointed out that the local organization is the only county-wide Chamber in Ontario.

"We have a great advantage here when you look at other areas. You don't have to choose among several associations to support, we're it in this area."

Stinson also mentioned the zone study being done by consultants which will, for instance, tell people from Holiday Inn where the best place would be for a hotel in the County.

Stinson said right now the information is not available and the zone study would be able to provide it along with other valuable information.

He said he hopes the two-year study will be completed in early fall. "It will be a tremendous sales tool," said Stinson.

Students honoured at HHSS ceremony

Flash bulbs popped, graduates smiled and parents beamed with pride Sunday evening as ceremonies marking the end of the school year were held in the HHSS auditorium.

The hall was filled to capacity as parents, relatives, friends and teachers gathered to honour the grade 12 and 13 graduates, many of whom will be leaving Haliburton Highlands Secondary School to continue their education elsewhere or join the work force.

Garbed in red and white gowns, the graduates were led into the auditorium by the Highlands piper, Earl Cooper. Following the presentation of diplomas at both grade levels, the gathering was addressed by the valedictorians. Suzanne Penney spoke on behalf of the grade 12 graduates while Michael Wright was the grade 13 valedictorian.

A reception followed the ceremony.

A list of the graduates and photographs of the evening can be found on pages 9 and 10.

Photographs and details of the ceremonies at Archie Stouffer Elementary School can be found on pages 7 & 8.

While the grade eight and high school students were receiving diplomas in graduating ceremonies, the kindergarten classes at Archie Stouffer Elementary School were also marking the end of their school year. Faith Bowman is obviously pleased with the certificate she received from principal Mr. Stuart Baker. Kindergarten teacher, Mrs. Bonnie Fitzgerald, assisted with the ceremonies.

The Minden Rotary Club installed a new executive Monday evening. Heading the club for the coming year will be Ray Cox, front row centre. Others on the executive include, from the left, front row, Jack MacGregor, treasurer, first vice president Al Mayo, Cox, second vice president Dave Atkinson, and secretary Paul Sisson. In the back row, Clayton Hummell and Peter Bennett directors, Stu Brandon past president and Tom Thompson sergeant at arms.

Committee to study provisional status

County Council has passed a resolution that will give the go-ahead to an investigation of Haliburton County's "provisional" status.

Dysart et al reeve and County Warden, Murray Fearrey and members of the budget committee will meet with a representative from the Ministry of Intergovernmental Affairs to discuss the County's status, the financial implications of altering the status and alternative forms of representation.

The idea is to drop the "provisional" which Fearrey says the Ministry is willing to discuss.

"We'd be looking at the

scope of municipal government, the advantages and disadvantages for our area," said Fearrey.

He said they might also look at amalgamating some of the municipalities.

The first step, says Fearrey, is a meeting with Ministry officials, then a budget committee meeting to plan further proposals, then to council for approval.

"We want everyone well informed," says Fearrey. "But we can't make a decision without a financial analysis."

He pointed out that it would not be necessary to approve all of the suggestions but all would be discussed.

Lutterworth dumps need upgrading: MOE

Existing dumps in Lutterworth Township should be upgraded and better maintained, say representatives from the Ministry of Environment.

The matter was discussed at the June 18 meeting of council.

Reeve Ron Gambell said the township has an agreement for at least one more year at its Davis Lake dump but Wayne Moore from MOE said that site is just about filled up.

Moore suggested the township start a "trenching" operation in which an area is filled with garbage then compressed by heavy machinery before fill is put over it. The next step is to have garbage dumped on an adjacent plot of land and repeat the same process.

When the whole dump site has been used and graded, start at the first plot again, this way the garbage is piled in layers.

Don Gradowsky, also from MOE, said he would like to see the dump sites "more intensely maintained and the dumps should be signed."

Gambell said the driveway to the Little Gull Lake dump should be narrower and asked Gradowsky about funding.

Gambell also said fencing around the dump would help to guide people to the site.

Gradowsky said MOE would be willing to pay half the cost of an area study to investigate the possibility of the County taking over the responsibility for municipal dump sites.

However, Gambell said the idea was vetoed by County

Council.

At the same time, council asked Moore about Lutterworth's new site, on an empty lot near the end of the Davis Lake Road.

Moore said the new site is out of the way, with ample area and no swamps or streams nearby.

However, he said there is no fill at the site and cover material would have to be brought in.

His other comment was that the site may be too far out of the way and difficult to find.

Questions were raised as to how much the new site would be used and how long it would be useful.

Moore said MOE would send up a team of hydrologists to study the condition of the existing Davis Lake dump and the feasibility of the new dump site.

May weather

by Phil Graham

	C	F
Average high	17.6	63.6
Average low	3	37.4
Average for the month	10.3	50.5
Average for last May	12.1	53.7
Highest temperature (May 23)	27.5	81.5
Lowest temperature (May 7)	-5.5	22.1
Rainfall	79.2 mm	3.1 in.
Days with thunderstorms	2	

Nothing outstanding to report for the month of May. The usual frosty mornings, a few thunderstorms and temperatures remaining about average.

(Editor's note: We apologise to our readers for the delay in publishing the May weather report.)

No tanks

Sometimes you can run out of gas at the most inopportune moment.

Take last Saturday morning for instance, when Constable Wim Magee was operating the police radar on Highway 35 at 12 Mile Lake. He saw a 1975 Dodge pick-up pull over and stop about 100 yards from his cruiser.

After a few minutes delay, three youths got out and slowly at first, then running, took off across country.

Police discovered the truck was registered to the Huntsville Works Department and that it had been stolen from the municipal yard shed.

About two hours later, Magee saw the three youths hitchhiking in Carnarvon, apprehended them and turned them over to Huntsville OPP.

Jake Joseph Wood, 16, of Dwight, and two 15-year-olds of the same area were taken into custody.

Police discovered the reason the truck was stopped so near to Constable Magee's car was they had run out of gas.

Help is available to pay your OHIP premiums.

Ontario residents with low incomes are entitled to assistance in paying OHIP premiums. More importantly, the amount has been changed in the most recent Ontario Budget.

If your income as a single person is less than \$8,200 or your total income as a family of four, for example, is below \$14,000, you may be eligible for assistance to pay all or part of your premiums.

As always, pensioners or those

receiving social assistance continue to receive OHIP coverage without charge.

The best way to check your eligibility is to contact your local OHIP office. It's listed in the Blue Pages of your telephone directory under Government Services.

Please ask because you may very well qualify for OHIP assistance today, even though you might not have in the past.

Editorial

The problem is still there

The Ontario Ministry of Environment is planning a number of open house sessions and seminars in the near future to explain the progress which has been made in the fight against acid rain.

Acid rain is a topic that has slipped from prominence in the past year, not because the threat has abated or that the problem has been solved. If anything, in the past year, except for a few minor gains, the problem has increased. The reduction in public interest and alarm could be the result of media over-kill, apathy, or the introduction of new threats to our environment.

Whatever the reason, the public should not allow acid rain to be shoved completely from sight. Ministry of Environment personnel have been carrying on the battle against acid rain, collecting data, pressuring authorities on both sides of the border, and preparing a profile of just how serious the problem is. These individuals need to know that we appreciate the efforts they are making, they need encouragement to carry on the fight, and they should be told that their concern is shared by many individuals in the Highlands.

Your attendance at one of the briefings or open house sessions will help get that message across.

Next Wednesday at noon

Canadians across the country are being asked to pause for a brief moment next Wednesday at noon.

The occasion, July 1, will mark Canada's 114th birthday. Organizers of the festivities surrounding the celebration have also requested that citizens join in the singing of O Canada at the stroke of noon. Radio and television stations across the country will be playing our national anthem at that time to encourage the nation-wide sing along.

The words of our national anthem have recently been altered to remove some of the repetitiveness from the final lines. For those unfamiliar with the new words to O Canada, we have reprinted them here in preparation for next Wednesday at noon:

O Canada!

Our home and native land!
True patriot love in all our sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Ontario Scholars, honoured at the Sunday evening graduation ceremonies at HHSS, from the left, William Packard, Miriam Vanderwal and Michael Wright.

The wrong policy

by Bill Scott, M.P.

In my June 5th Report From Parliament I charged that Prime Minister Trudeau was making a serious mistake in going it alone in his fight against inflation, and that it was a responsibility of all elected Members of Parliament to wrestle with this problem.

I pointed out that the Trudeau/MacEachen policy of allowing interest rates to soar in Canada was a total failure in getting inflation under control, and that the result has been an astronomical increase in the rate of failures of small businesses and farms.

Since that time my views

have received public support from the Right Honourable Joe Clark, Leader of the Official Opposition in the House of Commons, and from the Economic Development Committee of the Conservative Caucus and the Canadian Centre for Policy Alternatives.

On June 16th, 1981, Mr. Clark called upon Prime Minister Trudeau to appoint an all-party Parliamentary Committee to study "other means to fight inflation", as his policies are driving small businesses and farms into bankruptcy.

Trudeau answered that the Bank of Canada's high interest rate policy is due to

the fiscal and monetary policies of the United States, and he said that Mr. Clark's suggestion was a "cop out".

The fact is that Mr. Trudeau and Mr. MacEachen have copped out because they refuse to involve Parliament in the inflation fight, in spite of the fact that inflation continues to rise and is approaching an all-time high in Canada.

The Conservative Caucus Economic Development Committee pointed out in a memo dated June 15th that present interest rates, coupled with the economic policies contained in the government's mini-budget of October, 1980,

have resulted in an inflation rate for the first five months of 1981 of 13.9 per cent.

The memo pointed out that real growth of the Canadian economy in 1980 was one tenth of one per cent, with a predicted growth rate in 1981 of only 2.9 per cent, but only if the federal government resolves the present impasse in energy pricing agreements.

The Canadian Centre for Policy Alternatives said in a release dated June 16th that the government's high interest rate policy "doesn't make sense", and that its present economic policies are "dangerous and ineffective". The CCPA release said that the high interest rates have resulted in a reduction of economic growth and an increase in unemployment in Canada, "while prices continue to rise rapidly."

While the government's economic policies might have worked a few years ago, it is obvious that they are a total failure today. High interest rates have not discouraged consumer purchases, and figures show that in our 'plastic society', credit card purchases have increased rather than decreased as interest rates have skyrocketed.

Interest rates must be lowered in Canada if small businesses and farms are to survive. And, more money must be placed at the disposal of the Farm Credit Corporation. The FCC budget was increased this year by a mere 21 million dollars over 1980. This budget is already exhausted, and no new FCC loan applications can be accepted until October 1, 1981.

While Mr. Trudeau is proposing to increase Canada's foreign aid payments, I must insist that charity begins at home. We must find more money, and soon, to save our oldest and largest industry - agriculture, and to halt the rise in small business failures.

An outstanding attraction

by John Eakins, M.P.P.

Last week I attended the Canadian White Water Championships held at Minden. I was very proud of this great facility, which is no doubt the best in North America, and can compete on a world scale. To date few people in Victoria-Haliburton realize what an outstanding focal point we have right in our own area.

Young people from the Yukon to Nova Scotia competed in the white water events and more and more people over the next few years will come to use this exciting kayak and canoe run. Perhaps in a future column I shall give you more background on how this facility developed and what it will mean in the future. Many individuals, organizations and government bodies co-operated in a magnificent way, so that today we have this outstanding championship course.

However, back at Queen's Park, and in an unprecedented move, the Minister of Consumer and Commercial Relations has rapidly introduced legislation which was pushed through three readings within an hour of its introduction. The Bill freezes the \$378,000 profit from the sale of two Metro properties bought with funds from the now defunct Co-operative Health Services Organization. In effect, it does what the Supreme Court of Ontario recently refused to do, prevents Co-op's fired general manager and lawyer from taking the money from a trust account at Montreal Trust. When the Co-op was closed down last February, thousands of subscribers lost hundreds of thousands of dollars in unpaid claims.

Re-Mor

Stuart Smith has again demanded a full inquiry into the collapse of Re-Mor and Astra Trust Company, insisting that the government's current policy is "continued cover-up and stonewalling". He has also repeated his charge that ministry documents indicate organized crime may have been connected with the collapse of Re-Mor and Astra, and insisted that members of the legislative committee who examined government documents be released from their oath of secrecy "so that they can say exactly what they have seen that pertains to organized crime". During the course of a heated exchange on this matter last week, Stuart Smith was expelled from the Legislature after refusing to withdraw his description of the Minister of Consumer and

Commercial Relations as the minister of cover-up.

When the Minister was asked to explain discrepancies in testimony of the former registrar of mortgage brokers and Ontario Security Commission officials, he stated that contradictions in officials' testimony were the result of faulty memory.

Insurance increases

The Minister of Consumer and Commercial Relations has stated that insurance companies are justified in raising premiums for car insurance by up to 20 per cent because provincial government monitoring shows that the cost of claims has far surpassed the rates. He claims consumers have been getting a bargain in auto insurance over the past few months because the cost of repairs has skyrocketed.

outdoors

by Ron Reid

Naturalists

June is the month to take to the marshes. Mosquitoes are abundant, of course, but so are birds. In most of Ontario's marshes, the waving cattails hide the activities of the least bittern, a shy bird that is seldom seen even where it is fairly common. The least bittern, only slightly larger than a grackle, is marvellously adapted for its wetland life-style.

Its buff underparts are striped with cream colour to resemble the cattails where it

Local businesses find Inwats is an asset

When the Chamber of Commerce met members of County Council last Wednesday, one of the items in the Chamber's budget was an allotment for its toll free line.

The toll free line or the Inwats line was introduced in March and various area businesses were encouraged to take part.

Area businesses have been invited to share the Inwats line with the Chamber. They also share the costs but in return are able to advertise the number as if it were their own. When the phone rings at the Chamber office the caller identifies the business he is calling. The staff connects the call through on a local line to the business. In this way a number of businesses in the county can take advantage of the single Inwats line.

At the moment 10 businesses in the county are taking advantage of the service. The system has capacity for 15.

The rate for subscribers is \$25 per month for six month minimum plus \$1.25 for each call received. If a business signs up for a year or more, it receives a discount of 25% if it pays the base rate in advance.

Most of the subscribers are pleased with the Inwats line so far. Ted Vasey, of Vasey Real Estate, says he thinks the real estate businesses gain the most from the line.

"If you have the line, you'll get called," he said.

Barry Shaw, from Sunny Rock Lodge, says the line has been "a major asset" for his business. "When you give people a direct line to call, they won't feel inhibited."

He added that the more people that use the service, the less each will have to pay. "It really breaks down the cost to the individual," he said.

Jim Orr, of Sir Sam's Inn agreed. "It brings down everybody's costs in the long run," he said.

If your car's out of shape you get rid of it, right? What if your body's out of shape?

Committee chosen

The members of the steering committee which will study the future of the Minden and Haliburton Red Cross hospitals has been chosen. The final selections were made Tuesday at noon, but the names were not announced until those who had volunteered to serve had been notified.

According to Marshall Elliott of the Haliburton, Kawartha, Pine Ridge Health Council, the four vacancies, set aside for members of the general public, were filled yesterday. The committee considering the applicants met June 17 and interviewed those who had volunteered to serve on the steering committee. Elliott said that all other positions on the committee had been filled and a list of those who will be serving will be made available later this week.

The selection committee included Anson, Hindon, and Minden Deputy Reeve Doug Pritchard, Grace Coburn of Minden and Ron Curry of Haliburton, as well as Health council representatives. The committee interviewed 12 volunteers for the four posts.

The steering committee is being established under the District Health Council to examine the future of the two hospitals. The national Red Cross organization has indicated that it will be withdrawing from providing hospital services in the next few years. The steering committee, which is expected

to hold public hearings, will pass its recommendations on to the health council for approval before they are forwarded to the Ministry of Health for implementation.

Funds approved

Lutterworth Township will receive \$40,000 to continue its home improvement program according to an announcement from the Ministry of Housing.

The funds are made available to municipalities in the province to be disbursed among residents planning renovations to improve the quality of existing homes. The renovations must relate to faulty structural or sanitary conditions, plumbing, insulation, heating and electrical systems.

The money is made available to homeowners based on their annual income. In some cases interest is charged on the loans, in others, where finances warrant, no interest is charged or the money may be in the form of a grant. The maximum amount any one homeowner can receive is \$7500.

Lutterworth residents interested in taking advantage of this program or learning more about it should contact the township office.

(from page 4)

is found; and the blackish green tones on the head and sides of adult males only adds to this camouflage. The pointed bill and habit of standing motionless at awkward angles make the least bittern almost disappear into the background.

A least bittern shows large buffy wing patches when flushed, but its normal escape pattern is through the reeds. With the help of long, unwebbed toes, it can virtually race through the cattails, several feet off the ground, by grasping the stems as it goes.

Nesting takes place in early June, on crude platforms of reeds or twigs woven amongst the marsh vegetation. Two broods of 4 or 5 eggs each are not uncommon in a season, since the young hatch out in 16-19 days. After a few days on a diet of regurgitated food, the young soon begin their regular diet of frogs, fishes, leeches, and insects. In two weeks, they are on their own, but the age of their first flight, which occurs after they leave the nest, is still a mystery.

Least bitterns migrate to the bayous of Mississippi and Florida for the winter months, but otherwise seldom leave the marsh. Their survival depends totally on the preservation of these productive wildlife habitats. When we lose another marsh to industry our agriculture or housing, we are losing too, part of the population of these unique and interesting birds.

(2 pages no error)

60 received diplomas at Archie Stouffer

The auditorium at Archie Stouffer Elementary School was filled to capacity Thursday afternoon as parents, relatives, teachers and friends gathered to salute the grade eight graduating class. Sixty students received certificates during the ceremonies.

In addition to the graduation exercises, students who had made an extra effort during the school year, in sports, academic work or in school life in general, were also honoured. Members of the graduating class and their parents enjoyed a luncheon at the school prior to the afternoon presentations.

Among the individual awards to be presented were:

The Alan Walker Memorial Award was presented to David Hulbig. The honour is bestowed upon the student who gives unselfishly of time during the school year to his fellow students and teachers.

The Ontario Public School Men Teachers' Federation award of special distinction went to Leigh McKinlay. The presentation is made to the student showing qualities of school citizenship.

The Tim Harrison Memorial Award was presented to two individuals, Lorie Valentine and Glenda

Newell. The plaque is presented for outstanding achievement in music.

Three students received the athletic achievement award. They were Rhonda Wilson, Paul Walker and Greg Newell. The award is presented to students demonstrating sportsmanship, coachability, leadership and a sound attitude for learning and enjoying the school's sports program.

McKinlay and Todd Powell. Public Speaking: Patti Porter, Lorie Valentine, Kevin Cowan, John MacKinnon, Tom MacLeod and Dayna Atkinson.

Perfect attendance

The following senior students did not miss one day of school during the 1980-81 term: Darlene Loucks, Susan Kernohan, John Ballantyne, Gregory Foran, Sandy Sunderland, Dianne Clayton, Douglas Shaw, Paul Walker, Kevin Smith, Derek Little, Jim MacLeod, Richard Beers, Graham Robinson, Corry Zorjen, Karen Thomas, David Coulter, Lori Ann O'Brien, Sean Allore and Nick George. Alex Little, a grade seven student at Archie Stouffer, also had perfect attendance, his eighth year in obtaining this achievement.

Rhonda Wilson, Greg Newell and Paul Walker were presented with the athletic achievement award by physical education teacher, Mr. Dave McKinlay.

Over sixty students received diplomas Thursday marking their last day at Archie Stouffer Elementary School. The grade eight grads were honoured in ceremonies which also included the presentation of special awards and prizes. The graduating class is seen here with members of the teaching staff. Those receiving diplomas last week included: Paul Aggett, Paul Allore, Peter Allore, Christine Anderson, Mervin Bacon, Susan Ballantyne, Tim Beaver, Candy Bowman, Margaret Brown, Michael Brown, Diane Clayton, David Coulter, Robert Crowe, Scott Danilko, Lisa Davies, Joel Gentle, Nick George, Paul Gillespie (honours graduate), Michael Gorveatt, Shelley Greer, Scot Hamilton, Danny Hayes, Alison Hill (honours graduate), Jeff

Howe, David Hulbig, Aaron Kushner, Janet Lawson (honours graduate), Gregory Lodenquai (honours graduate), Michelle Maher, Brian Mann, Mike Mantle, Leigh McKinlay (honours graduate), Tom Miscio, David Mitchell, Bonnie Moffat, Glenda Newell (honours graduate), Greg Newell, Lori Ann O'Brien (honours graduate), Jeanette Pilcher (honours graduate), Patti Porter, Todd Powell (honours graduate), Don Pratt, Lisa Raby, Cindy Roodenburg, Marlene Saunders, Doug Shaw (honours graduate), Michael Shaw, Kevin Smith, Lorie Valentine, Marilyn Walker, Paul Walker, Christine Warburton, Rhonda Wilson, Adele Wray (honours graduate).

Lorie Valentine and Glenda Newell shared the Tim Harrison Award for music. It was presented by music teacher Mr. Carter.

Toronto comes to Minden

Toronto is coming to Minden. No, not the city, the band.

Toronto is Brian Allen, Niki Costello, Holly Woods, Jimmy Fox, Scott Kreyer and Sheron Alton and they'll be at the Minden Arena Saturday night.

The group has been together close to two years. It burst on the music scene with its first album, *Lookin' For Trouble*, which went platinum soon after it was released.

Toronto's members span three countries and two continents. Brian Allen comes from Chilliwack B.C. and taught himself guitar when he was fourteen. Scott Kreyer, on keyboards, Niki Costello who plays bass guitar and Jimmy Fox, on drums and percussion all hail from Rochester, New York. All four musicians have played with one or more of the others, so none are strangers to each other's musical style and personality.

The two women of the group are solid vocalists and Sheron Alton, from London, England, is an excellent guitar player, giving her recognition as Canada's top female rock guitarist.

Holly Woods, from Durham, North Carolina has been singing professionally since 1972 and has toured

with various groups throughout Canada and the U.S.

In short, the group is made up of seasoned professionals who give Toronto its refreshing sound. The group says it chose the name Toronto because that was where they all met and formed the band.

Their music has been described as "rock 'n wave" even though such categories can be misleading. However, long time fans know Toronto has been influenced by most types of music including blues, jazz and hard rock and other rock groups like Foreigner, Aerosmith and Kiss.

Leigh McKinlay received the Ontario Public School Men Teachers' Federation award for outstanding student citizenship. The award was presented by Mr. Dale McConnell.

Windows broken

Two windows at the Red and White Store in Haliburton, worth \$600 were broken early Sunday morning and a Donald, Ont. man has been arrested.

Twenty-nine year old Richard Wayne Shaw was charged with breaking the window and the theft of some cigarettes and groceries.

Constable Bob Wood investigated the incident.

\$15,000 damage

An accident at the intersection of Highway 121 and Highway 648, near Wilberforce, caused \$15,000 damage to two cars.

Saturday evening, William S. Kearley, 27, of Bancroft, was driving his 1973 Olds when he was struck while proceeding through the intersection. The other driver, Francis H. Herlihey, 72, of

Monmouth Township, was driving a 1981 Cadillac.

Damage to Kearley's car was \$2,000 and \$13,000 to Herlihey's car.

Both drivers received minor injuries and Kearley was charged with failing to yield.

Constable Jim Solway investigated.

Then and now. One of the biggest transformations in recent memory in downtown Minden took place during the past few months. The former Minden Furniture Store, seen as it was at the left, was completely renovated inside and out to give the store a new front and redesigned interior. The building is now home for the Minden I.D.A. Drug Store and Highlands Jewellery and China Shoppe. While the shops have been open for a number of weeks, the grand opening sales and festivities take place this week and next.

3 tied for top spot in ladies league

The Minden Juniors played host to the Haliburton ladies on Monday (June 15) night in Minden.

The score was tied 2-2 going into the fourth when Haliburton got five runs and went on to win 11-3. Betty Whiteway got a home run for the Haliburton team. Nancy Maughan picked up the win while Cheryl Dillon took the loss.

Gooderham played at Stanhope to take on the local girls. Cathy Darby picked up the win for Stanhope. Final score 15-7.

Tuesday night Stanhope played at West Guilford. The weather was not the best but the teams played to get the game in. West Guilford came up on top 26-5. West Guilford was led by Heather Thompson and Cheryl Nicolls. Joan MacKay got the win while Marg Darby took the loss.

The Dixie Lee - Homestead ladies travelled to Wilberforce. The Minden team was lead by Rhonda Wilson, Lynne Winans and Nelda Cully. Andrea Burk picked up the win while Chris Storey took the loss.

West Guilford visited Minden to take on the Dixie Lee - Homestead team. Minden had a 4-2 lead after four innings, then they got four runs in the fifth and five runs in the sixth to take the game 13-5. The Minden squad was led by Marg Fielding, Nelda Cully and Barb Barnhart. Nelda Cully picked up the win while Joan MacKay took the loss.

The Minden Juniors travelled to Haliburton on Thursday night. The juniors were playing good baseball

until the fourth inning when Haliburton exploded for ten runs then Haliburton just held on to win 11-10. Nancy Maughan was the winning pitcher while Cheryl Dillon took the loss.

Wilberforce played in Gooderham Thursday and Gooderham won 15 - 14.

at Haliburton, Stanhope at Minden vs. Minden Jrs. Tues., June 30: Gooderham at Minden against Dixie Lee-Homestead, Haliburton at Carnarvon, Wilberforce at West Guilford.

Hustlers down Lindsay Jrs. 8 - 3

The Rockcliffe Hustlers moved one step closer to the top of the Tri-County Baseball League on Wednesday as they defeated the Peterborough Lumber Juniors of Lindsay 8-3.

The game opened on a fairly even keel with both teams scoring single runs in the opening frame. Lindsay moved into the lead taking a run in the third and fourth innings.

The Hustlers evened the score in the fifth inning when Bernie Nicholls connected for a single and Wade Stamp cleared the bases with a home run.

Tied at 3-3, the Hustlers kept the Juniors off the score sheet and then blasted five runs in the sixth inning. Greg Newell hit a double followed by a homer from the bat of Dave Dollo.

The local team heads into this week's action with a six win two loss record. The next game is tonight (June 24) at the Minden diamond where the Hustlers will face Omamee. Game time is 8 p.m.

Wade Stamp is greeted by his team mates as he crosses the plate after an over the fence home run. The round tripper brought in two runs for the Hustlers, evening the score and setting the stage for their 8-3 win over the Lindsay Juniors.

It's strawberry time

Agricultural report

It's strawberry time in Victoria County.

All the growers in the area expect their berries will be ready for picking during the week of June 22nd. From then until mid-July there should be an abundant supply of berries in this area.

Strawberries are the most popular "Pick-Your-Own" crop in Ontario. All the large growers in Victoria County operate on a pick-your-own basis. Over 60 acres of berries are in production here this year.

Several different varieties of strawberries are grown in the area. All of them are excellent for eating fresh, freezing, or preserving.

The Redcoat variety is a traditional favourite. Veestar is a newer dark red variety, which tends to retain more colour after freezing. Some other varieties are later maturing, so help to extend the strawberry season.

There are seven Pick-Your-Own strawberry patches in Victoria County of which we are aware.

Kent's are located on Highway 35 - 2 miles south of Highway 7. They have an eight acre patch of Redcoat, Veestar and Guardian varieties.

Poder's have ten acres of berries on the River Road, off Highway 35, south of Lindsay. Redcoat, Veestar, and Sparkler are their main varieties.

Robertson 1867 Farm has the largest operation with over 20 acres of strawberries. Veestar, Vibrant and Bounty are their main varieties. The Robertson farm is located on the Scotch Line, south of Highway 36 between Bobcaygeon and Dunsford.

Roskammer's have 2 acres of berries for the first time this year. They are located in Fenelon Township, on the side road north of Powles Corners and are 1 mile east of

Highway 35, just west of Highway 121.

Sebright Gardens are operated by D'Arcy Elson on Highway 503 about two miles east of Sebright. Redcoat and Veestar are the main varieties in their 12 acre berry patch.

Valentia Gardens are just north of the village of Valentia, south-east of Little Britain. Harry Pausme has eight acres with Veestar, Redcoat and Vesper as their main varieties.

Zimmerman's have six acres of Redcoat berries in production this year. They are located on the Sixth Concession of Mariposa Township, about 3 1/2 miles west of the Oakwood to Little Britain County Road.

All the growers ask that you bring your own containers, however, most have a small supply of baskets which they will sell you if necessary. The standard container for pick-your-own is a 6 quart basket. Most growers have a basic price for a level basket, and a higher price for a 'jumbo' or heaped full basket.

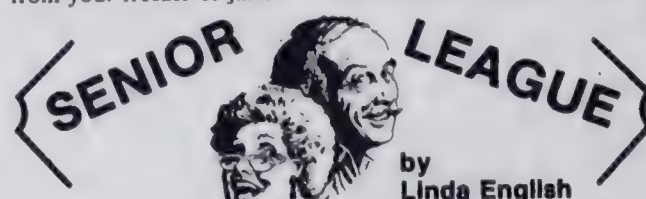

Don't forget that the weather can seriously affect strawberry production, and the grower has no control over this. If it's too cold, or too dry, or too wet, the berries might not be as large, or ripen as quickly as you expect. As a result it is possible for a grower to have to close for a day or two until more berries ripen.

Also, remember that a strawberry patch is NOT a playground for children and pets. Leave them home, rather than cause problems.

The main advantage to picking your own berries, is that you can eat them or freeze them or preserve them, the same day they are picked. That's when you get the peak of quality and flavour. If you're picking for freezing or processing, plan your program so you can complete the whole operation the same

day you pick the berries. Picnic coolers can help keep the berries fresh during the trip home. Don't forget strawberries are fragile, so be very careful not to crush the berries in whatever container you choose.

So enjoy some locally grown strawberries, both now during their season and during the months ahead from your freezer or jars.

Saturday afternoon the residents of Hyland Crest had a pleasant surprise. Some entertainers from the Home Show paid a visit and put on a program for us. There were some very talented musicians playing guitar, mandolin, piano and violin. Everyone enjoyed their toe-tapping Irish music.

There was a magician who did a juggling act and a performer who did some amazing rope tricks. The residents got a real kick out of the real live monkey which was part of the show. Our thanks to the Haliburton Kinsmen, who were responsible for having the show come to our home.

Monday morning we began our regular activities with fun and fitness. In the afternoon our resident men and ladies went to the craft room to work on their individual projects.

Tuesday morning Rev. Douglas Miller of Minden United Church held an inspiring service in the chapel. Our organist, Agnes Taylor, accompanied us for the

Bowlers hold social gathering

Don Sinclair, President of the Minden Lawn Bowling Club, welcomed members and guests at a wine and cheese party on Friday evening, June 19, at the clubhouse.

Because new teams were drawn up for this year, and because several members are bowling at different times from last year, many members welcomed the opportunity to greet friends and team mates of last year. Humorous post mortems were heard on previous games.

Enthusiasm for the sport has become very contagious, and from speaking with members at the party, there is no doubt that Don and Ethel's dedication to the club has provided the motivation which is responsible for the club's great success.

Alberta Maitland, convenor, and her committee, did their usual excellent job in preparing the food and wine. Simone and Alfred Palmer, along with their guests, Gala and Cy Heal, generously provided bowling instruction to potential members, and offered advice and suggest-

ions to members with specific problems. After a most enjoyable evening, the group dispersed, looking forward to the next social event. (Submitted by Mabel Hewitt.)

Wednesday, June 24, 1981

After a most enjoyable evening, the group dispersed, looking forward to the next social event.

We hear that school is out, what a long holiday the young people will have.

Mr. and Mrs. Thomas Hutchinson of Fergus and Mr. and Mrs. Peter Hutchinson of Belwood were visitors with Mrs. Verna Jarvis last week.

All his friends send good wishes to Michael Brown who is a patient at Civic Hospital, Peterborough.

Wedding bells were ringing on Saturday (also the pipes were playing) for Mr. and Mrs. J. R. Cardwell (nee Judy Elder). All good wishes to them.

Anne and John Rockory are home after some time spent with the Bruce Rockorys in New Brunswick; we hear they have a new baby girl down there.

Mr. and Mrs. Roy Courney have had their daughter Joan from Switzerland visiting with them for the past while.

Congratulations to Ken Cox on winning in the Truck Rodeo on Saturday in Huntsville Division and we saw him on T.V. News. Next will come the Provincial.

The Blake Hughes of Mississauga spent weekend with the Bob Hughes and Dana Hughes and Carol Ann Titus went back with them for a visit.

Several families have moved in town, the Doug Robinsons are now in the Pogue home on Prince Street and the Allan Uptons are in the Lazier home on Chandos Street.

Fern Bessner and some of her family of Kapuskasing are staying with the Bud Stamps and Irene Stamp.

Mary Coneybeare is just back after visiting with Michelle and Kirk Coneybeare and Matthew at Didsbury, Alberta.

A lucky lady at Rotary Bingo last Tuesday won the first Snowball of \$81 in 20 numbers called; congrats going to Cathy McKelvey.

Congratulations were also in order on the weekend to the Bill Moores on their 44th Wedding Anniversary and to the Gordon Kelletts on their 40th Wedding Anniversary and this Friday to the Phil Robinsons on their 35th Wedding Anniversary. You see, it is still possible to stay married!

Sincere sympathy goes to the families and friends of the late Edith Winch and Holly Gouldie whose funerals were since last week.

There is a new granddaughter just arrived for Harry and Jenny Austen, and daughter of Kathy and Roger Austen.

Florence Booth of Toronto has been visiting relatives and friends in the village.

Weekend guests with Mrs. Grant Heyitt were Mr. and Mrs. Bob Dudman of Markham.

Corinne Fleming and Jean and Jack McArthur have just returned from a visit with sister Betty and her family in England and they also were touring some of the British Isles.

Recently Mary and Lyman Cox spent a weekend at Peterborough and Roseneath and saw their brand new great grandson.

Margaret Frise of Richmond Hill spent the weekend with the Bob Emmersons.

There is wisdom in taking the time to care
There is wisdom in giving and wanting to share
There is wisdom in grace and making amends
There is wisdom in having and helping good friends.

Anon

Mr. and Mrs. Peter Jarett and Stacey of Collingwood visited on Saturday with his mother Yvonne Beaucage and his sister Tracy Jarett.

Coming events are Thrift Shop open at St. Paul's upstairs on Friday, June 27 at 1:30; the Vegetable and Fruit Stand will also open down past the I.G.A. this is on June 26th. Saturday will be Indian Craft Table beside Pro Hardware. Then Monday June 29th at 2:00 beside the Fire Hall will be from Library Services "Summer Crackers" This is free and for all young people. There will be posters up concerning the last.

Nice weekend, cloudy at times and the rain came on Monday. Take care, summer is here with its crowded highways. Cheerio until next time.

Minden W.I.

The members of Minden Women's Institute met at the United Church Hall on June 17th. There was a bountiful pot luck luncheon set out and everyone enjoyed this delicious food.

After the tables were cleared the meeting began with Mrs. Clare Brown presiding; the roll call revealed to us who had had our name in the Secret Pal exchange. There were 24 members present and four guests were made welcome and one of these later joined the membership.

Collections were taken for Pennies for Friendship, for Card Fund and for use of the Hall. Mrs. A. Kernohan gave the treasurer's report and Mrs. Wm. Moore reported about sending 21 cards since the last meeting.

A thank you note was read and one was sent to Ken Mitchell in appreciation for his work in the past.

Mrs. Kernohan reported on the quilt raffle and Lillie Hogg added her thanks to us all for helping in producing that

Hi! Did all you fathers have a happy day? Breakfast in bed? Taken out to dinner? Oh well never mind, maybe next year.

There was a family reunion at Anne and Frank Dunsford's place on the week-end. With all of Anne's family coming to meet the new baby, Jocelyn Dunsford. There was Elsie and Tom Stead; Tom and Carolyn Stead with children Tommy, Becky and Margaret; Betty and Tom Kaye with children Timmy, Cindy and Joe, with Joe's fiancée Sheralee and friends, Allan and Katie; Debbie and Mary Reynen; Sandy and Gary Wilson with children, Scott and Lindsay, all from the Toronto area, and Pam and Rick Dunsford, parents of Jocelyn from Fenelon Falls. Young Scott Wilson is staying for a week with his

beautiful article, which was won by Jeff Moore. Later on in the year, we will have a raffle on a dressed Indian Doll donated by Yvonne Beaucage and accepted with thanks.

Mrs. Sears then asked us a few questions on being handicapped. Mrs. Mary Packard of Haliburton County Public Library then showed us a film "He's not the Walking Kind". This showed us how this man

had adapted his abilities into a cheerful and useful lifestyle.

Mrs. L. Cox thanked Mrs. Packard and presented her with a token and all joined in applause.

Mrs. D. Berry then explained the Secret Pal Exchange and most members took a name for the coming year. Some ladies put money for their birthday in that box. Programmes for the coming

year were ready and these were handed out.

The meeting closed with God Save The Queen.

Lines from Lutterworth by Jean Lacey

grandparents. All had a real good time.

Norma Melnichuk and son Steven were up on the weekend visiting with Lil Porter, Norma's mother.

So pleased to hear that Mrs. Archer is home after spending over a week in Lindsay Hospital, and is feeling better.

Miss. Dick from South Lake along with Marg Miller and Jeanne Bowron went out to tea Friday morning.

Pastor and Mrs. Wicks spent Sunday with the Ken Bowron's.

So sorry to hear of the passing of Mrs. Millie LaBarge Monday morning of last week.

Don't forget June 27th at 10 A.M. the bake sale and flea market for the Lutterworth Library. It is being held at the Library. See you there?

This is book exchange week so all the Libraries will have 200 new books for you to read.

Diane and Betty Joe Clayton have gone to stay in Lindsay for awhile.

Steve and Betty Fox went to Oshawa to spend time with their fathers on Father's Day.

Hint of the Week
Dishes: Save money by using the cheapest brand of dishwashing detergent available and add a few tablespoons of vinegar to the dishwasher. The vinegar cuts the grease and leaves dishes sparkling clean.

The upkeep of woman is the downfall of man.

Many Happy Returns on Mrs. Mary Oster's 98th birthday Saturday June 20th.

There was an open house for her on Sunday in Toronto.

So sorry to hear that Mrs. Bedlington is back in hospital.

We see a new fast food outlet and realty office has opened in Moore Falls. Nice to see that part of the township growing.

Kids Korner
Well kids you are now out of school, have a good and safe summer watch the cars when you cross the road and always swim with a buddy if you go swimming.

One Day When It Was Sunny by Aileen Fisher

I saw my picture on the road. One day when it was sunny. It stretched along in front of me, big and black and funny, and it was taller than I'm tall and ran when I was runny, and when I held my hands for ears it turned into... a BUNNY.

Who Said "Don't give up the seed?"

John Paul Grape

What is purple and wants to conquer the world?

Alexander the Grape

What is black and white and black and white, black and white and blue?

A penguin falling downstairs

What is red and white and goes poppity pock pock blam pockity blam blam pock pock blam pockity blam pockity pockity pockity blam pockitypockity?

An outboard radish.

What is round and red and hairy, goes "poppity pock pock," weighs 9000 pounds and has huge claws?

Nothing... But if you see it start running

What's yellow and lies on its back?

A tired school bus.

What is purple and can go through a whole police force? A plum with a press pass.

Bye for now. Take it easy. God bless till next time.

BIRTHS

We are pleased to announce the safe arrival of Tristan Nicholas Gregory Pawluch on May 7th, 6 lbs., 7 ozs., a new brother for Andrea.

Many thanks to Dr. Heyes and all the nursing staff of Haliburton Red Cross Hospital for all their assistance.

Nick & Lynda Pawluch

CARD OF THANKS

The family of the late Edith Winch wish to sincerely thank her friends and neighbours who helped her in so many ways, not only during her final illness, but also throughout the years since the death of her husband, Laurence. Your help and tributes to her will always be remembered. A family thank you is extended to Gordon Monk, Gordon A. Monk Funeral Home, Rev. John James, Ingoldsby United Church and Rev. Don Nicholson.

The Family of Edith Winch

CARD OF THANKS

I would like to thank the Haliburton Ambulance Drivers for being so friendly on the trip to Peterborough. I would also like to thank my friends and relatives for their cards, flowers, phone calls and coming to visit me while I was in the Peterborough Civic. It was very much appreciated. Thank you all.

Elda Henderson

AT REST

MINDEN SWIM PROGRAM

This year the Red Cross has re-designed the pupil training program. We now run on an eight level colour coded system. The emphasis of the program is on the continuous evaluation of the individual. The content of the levels has been grouped into four categories.

- Safety Education
- Safety Skills
- Movement Skills
- Continuous Activity

The candidate is issued a progress card and a badge whenever a certain level of competence is achieved.

REGISTRATION FOR THE ABOVE CLASSES WILL BE HELD AT THE MINDEN DOCK ON SATURDAY JULY 4, 1981 FROM 11:00 a.m. to 2:00 p.m.

JULY 6 to JULY 31 - \$13.00 per child: \$33.00 FAMILY OF 3 OR MORE (includes busing)

Condensed instruction program AUGUST 3 to AUGUST 14 - \$6.00 per child: \$15.00 FAMILY OF 3 OR MORE (no busing for this session)

Class groupings, times and Bus schedules will be available at Registration. Classes will be held at Twelve Mile Lake Beach.
